## Network Update

Hope the Summer holidays are going well! Shame about the weather but we are sure you are doing some fantastic activities with your children.

We are pleased to let you know that at the last Network meeting we asked for feedback about the 1st year of the Network. At present we have 22 members which we are delighted with, 17 members attended the last meeting and were all in favour of the Network continuing.

We need to actively Promote your Childminder Network. Due to its success we would now like to encourage new childminders to join. The benefits of having more members will mean that we can provide more events, resources, & possibly increase the discount on training or even offer some

**We are pleased to announce the price of membership for current members will not be increasing this year.**

NCS Renewal for existing members:

1. Pay by cheque or cash to New Era - £100.
2. Standing orders **please check with your bank** that this will continue @ £9.00 a month.

## About New Era:

New Era Childminder Services aims to promote and support the continual development of high quality home based childcare through the provision of support, information, advice and guidance, education and training. As a team we have collectively 60 years experience working as childminders, 10 years experience of managing the New Era Nursery, and have recent experience of Early Years Ofsted Inspecting. In the past New Era also set up, and for 5 years ran, the Burnley and District Childminder Network which supported childminders across Burnley and Pendle.

Drawing on this extensive experience, the NCS team can offer professional support to your childcare business.

Childminders who join NCS are able to access telephone and email support and attend termly Network meetings to refresh, network, inform, support and facilitate discussion of relevant topics (and burning issues) and an opportunity to catch up with other childminder colleagues, with of **course tea, coffee and cakes.**

Sue, Elaine and Wendy look forward to working with you in the future.

As NCS Childminder members you will also receive a **discount of 10% off** New Era training courses (such as Paediatric First Aid, Safeguarding and other CPD courses offered)
