month) or a one-off
payment of £110. A
25% discount is
available on fees for
the second or further
childminders working
together or assistants
at the same address.

About New Era:

New Era Childminder services (NCS) aims to promote and support the continual development of high quality home based childcare through the provision of support, information, advice and guidance, education and training. As a team we have collectively over 60 years experience in working with childminders, 13 years experience of managing New Era Nursery, and have recent experience of Early Years Ofsted Inspecting. In the past New Era also set up and for 5 years ran, the Burnley and District Childminder Network which supported Childminders across Burnley and Pendle.

Drawing on this extensive experience, the NCS team can offer professional support to your childcare business. Childminders who join NCS are able to access telephone and email support and attend termly Network meetings to refresh, network, inform, support and facilitate discussion of relevant topics (and issues) and it's also an opportunity to catch up with other childminder colleagues, with of course *tea, coffee and cakes*.

Sue, Elaine and Wendy look forward to meeting with you in the future.

Childminders attend
training to update with
developments in childcare
...that's why Childminding
Matters

Please let us know if you
would like any of the
following training:

- Safeguarding update
- Paediatric First Aid

8 Ways You Know You Are a Childminder

1. You point out the big tractor to your partner with enthusiasm.
2. You risk assess things even when you have no children with you.
3. You grab your best friend's hand to cross the road.
4. You always carry wet wipes in your bag.
5. You talk to adults like you're still talking to the children.
6. You find glitter in unexpected places around your house.
7. You check out the play area to see if it's worth a visit.
8. You can never bring yourself to throw anything away 'just in case it might be useful'.
