Payment Terms

Contact us for costs.

Payment may be made on a monthly or annual basis.

As NCS Childminder members you will also receive a discount of 10% off New Era training courses (such as Paediatric First Aid, Safeguarding and other CPD courses offered).

Childminders who work with another childminder or an assistant can receive a discount of 25% on a second membership. Where only one membership is paid the second childminder/assistant may attend the network meetings but will not receive the 10% discount on training and only one set of resources for membership.
